Education

Indian Institute Of Technology (Indian School of Mines), Dhanbad Expected May 2029
Bachelor of Technology in Mechanical Engineering (CGPA: 8.37 / 10 .00) *Dhanbad, Jharkhand*

Experience

Worldquant Brain May 2026 – Present
Research Consultant

- Designed and iterated alpha factors while evaluating performance, robustness, correlation and risk metrics.
- Analyzed strategy performance and modified models based on simulation results to improve diversification and reduce self-correlation.

Projects

JAR App: Engagement & Monetization Strategy | *Product Strategy, UX, Growth*

- Identified **UX, feature-discoverability, and engagement gaps** through market research and user journey analysis; proposed a home-screen widget and goal-based savings to improve retention.

Ascend Finance App: Credit Building Strategy | *Product Strategy, Risk, Growth* | View Project

- Designed a student-focused credit-building solution using a **refundable deposit, cash-flow assessment, and transparent pricing**, with repayment reminders, risk controls, and a multi-bank partnership strategy.

DITTO Insurance Strategy Case Competition | *Product Strategy & Market Research*

- Analyzed customer needs, market trends, and competitors to identify growth opportunities and develop a **GTM, scaling, and partnership strategy**.

CarbonTrack | *JavaScript, HTML/CSS, Firebase, SHA-256* | View Project

- Built a carbon-emissions reporting and verification website using **SHA-256 hashing** to make company emission records tamper-evident.

Zepto Product Management Case | *Product Strategy & UX*

- Identified customer pain points through **user research and competitive analysis** and developed a product strategy covering feature prioritization, user segmentation, and GTM.

Technical Skills

Product Management: Product Strategy, User Research, Feature Prioritization, UX Analysis, GTM Strategy, Competitive Analysis, Product Metrics
Analytics: Python, SQL, Excel, Statistics, Data Analysis, Data Visualization, Machine Learning
Technical: JavaScript, React.js, HTML/CSS, C, Firebase, Git/GitHub, Blockchain Fundamentals
Tools: Figma, PowerPoint, Canva

Achievements

- **CaseBlitz'26, IIT (ISM) Dhanbad:** Secured a **Top 10 finish** after a 24-hour hackathon and qualified for the final pitching round.
- **Proydessy, IIM Indore:** Qualified for the **offline final round** of the Product Management Case Competition.
- **CaseVerse 2.0, NIT Rourkela:** Reached the final round of the case study competition.
